YOUR FIRST DAY IN THE OFFICE

On your first day, August 20th, your VISTA supervisor will walk you through the specifics of your VISTA service which marks the beginning of your On-Site Orientation and Training (OSOT). OSOT introduces you to your sponsoring organization, the community you are serving, sponsor policies and procedures, and much more. OSOT will likely span a couple of weeks and involve both formal and informal learning.

Also on your first day, you must attend **Launching Your VISTA Service at 3:00 pm ET**. In this webinar, we will highlight the VISTA program’s mission, discuss your VISTA Assignment Description (VAD), and direct you to various resources and support. Most importantly, we will swear you in to VISTA service.

Lastly, your supervisor will give you a fingerprint kit. You must submit two completed fingerprint cards to VISTA Headquarters by **Wednesday, September 19, 2018**.
