

Questions 1 through 10 require an answer

- 1) Name (First and Last)
- 2) Accomplishment Narrative: (Have you recruited volunteers? Created a database for your site? Any new resources developed? etc.)
- 3) Anecdotes of your Accomplishments: (a success story you want to share) or share what you'll be working on in the future
- 4) Challenges: (What challenges have you had in the work place, as VISTA, trainings?)
- 5) What new programs / events have you developed?
- 6) How many people were served by the programs / events you created? Note: Include volunteers in the count
- 7) How is your project working toward sustainability? Have you developed any new partnerships that will continue when you are gone?
- 8) List capacity building services to which you have contributed. For example: Train the Trainer Program.
- 9) List new systems and processes to which you have contributed. For example: Social Media Policy
- 10) Have you contributed to any grants / fundraising initiatives? Note: Please provide the names of the grants / the amount from the grant or fundraising initiative.
