

## *Please Take the AmeriCorps Member Satisfaction Survey*

Make sure your voices are heard! We appreciate your service to the country and dedication. Your service through AmeriCorps VISTA is instrumental in the movement to make America better. You have learned a lot as a result of your service experience and we want to know about it. As you depart, we need your help so that we can offer the best experience to future VISTAs.

VISTA is on the path to grow and we are striving to make the program even better to achieve the greatest community impact. So that we can continually improve upon the program, and the support that we provide to VISTAs we have developed the AmeriCorps Member Satisfaction Survey. All exiting VISTAs are invited to respond to this quick and easy survey via the My AmeriCorps Portal as part of the close of service process. Your responses will remain confidential.

The survey captures your level of satisfaction with various aspects of your VISTA experience. This survey is a part of President Obama's Administration's charge for the Corporation to become more transparent and accountable.

Thank you again for your commitment to service. We value your opinions and hope you will respond to the survey during your exiting process.
