

AmeriCorps Member Feedback Survey

Would you like to make sure that your voice is heard? We know many of you learned about AmeriCorps through a friend who had served. Well, the AmeriCorps Member Feedback Survey is the perfect opportunity for you to do so more broadly rather than just telling a friend or two.

As a way to give AmeriCorps members like yourself a bigger voice, we launched the **AmeriCorps Member Feedback Survey**. All members are invited to respond to this quick and easy survey via the My AmeriCorps Portal as a part of your close of service process. The survey captures your level of satisfaction with various aspects of your AmeriCorps experience. **This is a unique opportunity, and we need your help.** We are asking that you respond to this survey when you log into the portal to complete the exit form (future plans form for VISTA). Your feedback is critical in helping us provide a meaningful service experience to future members and helping prospective members make informed decisions about where they would like to serve. This survey is a part of President Obama's Administration's charge to become even more **TRANSPARENT, ACCOUNTABLE AND COLLABORATIVE** to the public. The information will be used in aggregate to help ensure that AmeriCorps is a great experience for future members.

Thank you again for your commitment to service. We value your opinions and hope that you will respond to the survey during your exiting process. If you have any questions regarding this survey, please contact us at rpdc@cns.gov.
