“We’re serving kids in the inner city; their parents don’t have the resources for books. Library books are great, but you have to give them back. We want them to HAVE books. There’s a difference, there’s feeling of ownership. First Book is just wonderful. The ability to give children a new book every month; **THAT’S HUGE.**”

— Dr. Carolyn Stinnett, local educator and First Book partner, Knoxville, TN

BOOKS CAN CHANGE LIVES.

That’s something that teachers, librarians and program leaders know. Books open a child’s eyes to something bigger than themselves, connecting them to the world.

At First Book, we want to make sure that every child has that experience. Having books to read – at home and in the classroom – is the number one predictor of reading success. But the reality for children growing up in poverty is this: books are scarce.

THAT’S WHERE FIRST BOOK COMES IN.

We make new, high-quality books for children of all ages available to the schools and programs that serve them, at prices they can afford. And we are a nonprofit; our mission is to elevate the quality of education by getting you the resources you need to succeed.

CONNECT WITH US TODAY AND FIND OUT HOW WE CAN HELP YOU.

Let’s work together to make every child a success story.
