Drag and Drop activity

<b>Anti-poverty Focus</b>	Any nonprofit organization, educational institution, or tribal or public agency with a program that addresses poverty can apply to sponsor a VISTA project.
<b>Capacity Building</b>	VISTA members help organizations achieve lasting solutions to poverty through activities such as fundraising, volunteer recruitment and management, community outreach, and partnership development.
<b>Community Empowerment</b>	Organizations working with VISTA must ensure that the project engages residents of the low-income community in planning, developing, and implementing the project.
