Example: Marketing volunteer tutor opportunities to community. In one year, tripled the number of Latino tutors available to work with immigrant children.

Example: Researching and writing grants for community-based youth development initiative. Within a nine month period, helped to secure \$40,000 of our \$100,000 fundraising goal.

Example: Conducting community outreach and facilitating focus groups helped to reveal critical community resistance for the new economic development project. Presentation of this information to senior managers resulted in the launch of a new strategic planning process with focus on stronger community input and support.
