Direct Deposit

The United States Treasury requires that federal payments be made by direct electronic deposit except when this would cause an unusual "hardship" on the payee due to a physical or mental disability, or a geographic, language, or literacy barrier or would impose a financial hardship. If you experience such hardship, a U.S. Treasury check can be mailed to you or to the project address closest to your assignment.

If you believe that receiving your pay by direct deposit payment would cause you hardship, please put this in writing and submit it to your Corporation for National and Community Service state office and your payments may be made by check.

A direct deposit form can be completed online at my.americorps.gov.
