

Reporting and Data Collection: Helpful Links

VISTA Campus	Online learning resources to help you serve better, as well as opportunities to connect with your fellow VISTA members, leaders, and alumni.
My AmeriCorps and eGrants Support for VISTA Programs	Information that may help you better use my.americorps.gov and eGrants.
Data Tracking Strategies	A few simple Ideas on how you may want to collect and track volunteer data.
Sponsor Verification Dates	PDF schedule of dates Sponsor Verification Forms are due every two weeks. It is suggested that the VISTA project staff member (not a VISTA member, leader, nor Summer Associate) responsible for submitting this form adds the due dates to their calendar and submits this form on-time as it is tied to member payroll.
Completing Sponsor Verification Online	Step-by-Step guide to completing the Sponsor Verification Form (SVF) online in eGrants.
AmeriCorps VISTA Progress Report Instructions	Instructions for completing the Project Progress Report (PPR) in eGrants.
VISTA Progress Report Supplement (VPRS) Instructions	Instructions for completing the annual VISTA Progress Report Supplement (VPRS) in eGrants.
Step-by-Step Instructions for Completing the Federal Financial Report (FFR) in eGrants	If you have a program or support grant, you are required to submit the Federal Financial Report (FFR) in eGrants. Use these instructions to guide you in completing it.
AmeriCorps VISTA Performance Measures	Comprehensive performance measurement framework including resources and a glossary to aid you in understanding performance measures, learning about data collection for your VISTA project, and more.
Working with Sub-Sites	Series of resources to help you create and maintain a relationship with your sub-sites to include reporting guidelines that may help you work together to collect data and track results.
VISTA Member Handbook	Comprehensive source for VISTA policies, procedures, definitions, and legal information for your records and to answer questions from applicants.
Early Service Coursework	Early-Service Coursework section is located near the bottom of this web page. Encourage your VISTA members to complete this coursework to help them better understand their assignment and their community. This can help them better appreciate data and what it means to your VISTA project and the community.
VISTA Sponsor Handbook	Policies, regulations, and information to support you in your role and to help you successfully sponsor a VISTA project.

If you have specific questions about reporting, please contact your CNCS State or Regional Office.
