Program Assessment Worksheet
Use this worksheet to help you assess your program’s readiness to take on partnerships with community organizations.

Understanding Your Program
What are the goals of your national service program?

Are you able to meet those goals currently? Why or why not?

How do you want to expand the work you do in the community?

What types of volunteer projects do you want to undertake? How do you want to leverage additional volunteers through your program?

How can community partner organizations help you enhance your current work, take on new volunteer projects, and accomplish your goals?

This form was created by Hands On Network, a Corporation for National and Community Service training and technical assistance provider. For more information on leveraging additional volunteers, contact Hands On Network at training@handsonnetwork.org or 404-979-2900.
