[Girl speaking]

Well, my mentor, he's really cool. He's always there for me and I can ask him questions about stuff I really don't like asking other people. And he's really just funny. He always makes me laugh somehow. And he laughs a lot, too. He's really funny, and he's always been there for me. And he kind of just moves around. And he's always interested in other people because he's an art teacher. But he's still always there. And I can always go up to him and ask him questions. And he always helps me with work that I need help with. And I just laugh around him.
