*Rebecca Tedford, Louisiana AmeriCorps\*VISTA Program (Baton Rouge, LA)*

**Rebecca:** I use an example of there's a school playground that needs to be repaired or renovated. If you are AmeriCorps, you can pick up the hammer and you can fix the fence; you can pick up the paintbrush and you can paint the swing set. If you are a VISTA, you can help reach out for the funds to fund doing this renovation; you can do the volunteer outreach to line up the people to do it; you can do the media coverage outreach for it. And that seems for most of my potential sites and my potential VISTAs to make it real clear in their minds.
